Mr. Mihai Ghidiu
Head of the Chancellery of the Prime Minister
of Romania

Dear Mr. Mihai Ghidiu,

In pursuance of the order of the Prime Minister of Ukraine Denys Shmyhal, in response to the letter of Prime Minister of Romania Mr. Marcel Ciolacu, we would like to inform you that the Security Service of Ukraine has decided to apply a restrictive administrative measure in the form of a travel ban to Ukraine against the Member of the Romanian Parliament Simion George.

The decision was made based on the available information on systematic anti-Ukrainian activities of this politician that are contrary to the national interests of Ukraine and encroach on its state sovereignty and territorial integrity. The statements of Simion George are aimed at discrediting Ukraine on the international arena and promoting unionist ideology that denies the legitimacy of the state border of Ukraine. In addition, he spreads narratives about alleged violations of the rights of the Romanian minority in our country.

Taking this opportunity, let me express assurance of the highest respect and esteem.

Serhii ANDRUSHCHENKO
First Deputy Chairman
